

Get the help you need!

WellTime is a service that provides help and support for patients registered with practices within the East Warrington Network (Padgate Medical Centre, Birchwood Medical Centre and Fearnhead Cross Medical Centre).

We can help if you are;

- Feeling isolated and want to meet other people
- Feeling lonely and just want to chat to someone each week
- Feeling bored and would like a book from the library delivered to your home

We can support you with;

- Collecting your medication due to isolating or shielding
- Posting your repeat prescription
- Shopping for essential food items
- Collecting essential items from surgeries like hearing aid batteries etc.
- Housing Issues
- Financial difficulties
